

# TEJAHANG SUBBA LIMBU

## Software Engineering Intern

📞 07377-899-423 📩 [tejahangl@gmail.com](mailto:tejahangl@gmail.com) 💬 [linkedin.com/in/tejahang](https://linkedin.com/in/tejahang) 🐾 [github.com/tejahang](https://github.com/tejahang)

### Professional Summary

Proactive and motivated Computer Science student with robust experience in web development, Python, Java, and AWS. Proven ability to develop scalable applications and APIs. Passionate about leveraging technology to transform the industry, I am ready to contribute and grow in a dynamic team environment.

### Technical Skills

**Languages:** Python, Java, Node, HTML/CSS, JavaScript, SQL

**Technologies:** MySQL, PostgreSQL, Amazon Web Services, Git

**Others:** Data Structures and Algorithms, Unit Testing

### Experience

#### University of East London

Nov 2024 – Dec 2024

Peer Tutor

London, United Kingdom

- Hosted a weekly drop-in lab sessions to help fellow students with programming in Java. Worked through the tricky parts together, ensuring everyone can code more confidently.

#### Bright Network

July 2024 – July 2024

IEUK 2024 - Technology Intern (Remote)

London, United Kingdom

- Developed a 6-month detailed plan document to improve a health-focused mobile app, aiming for a 20% increase in paid subscribers. The plan outlined the technical stack and software development methodologies required.

#### Resbyne — Modern European Restaurant

June 2023 – July 2023

Web Developer

Sheung Wan, Hong Kong

- Designed a professional website for the restaurant and worked closely with the owners to provide advice and technical assistance.

### Projects

#### Ecommerce Store — Tejahang Shop | React, Node, PostgreSQL, AWS

June 2023

- An e-commerce website to simulate real-world online shopping experiences.

#### Recipe Generator — Ultimate Recipe | Handlebars, Express, PostgreSQL, AWS

Apr 2023

- A recipe web app designed to suggest random recipes to users at the click of a button.

### Education

#### University of East London
